## OUTDOOR HARDWARE FEATURES

- Hand-Draw Traverse System Features:
  - One-way and reversible one-way draw traverse kits available in 4' and 8' lengths.
  - Kits include: aluminum traverse rod, 16 glides and hooks for 4' and 32 for 8', 1 master carrier with arm, aluminum, top-mount brackets (2 for 4', 3 for 8') and 2 end stops.
  - 1" brackets have a 3.5" projection and 1.5" brackets have a 3.75" projection.
  - 1" and 1.5" rods include rust-proof roller glides for smooth and easy movement of draperies.
  - One-way draw features reversible master carrier so that draw can either be from the left side or the right side.
- Collection includes functional accessories.
- Finish is powder-coated for outdoor performance.
- This collection is made of aluminum and is rust resistant, for outdoor use.
- Pinecone, Hammered Ball, Palm Leaf and Lantern finials are available in the following finishes: Black, Bronze, Silver and Pewter.
- Only Coral finial is available for Coral finish.
